

Service Spotlight

G-P Meridian Advisor™

Expert guidance on employment laws, compensation, and global mobility on a single platform.

Service overview

Now you can tap into tech designed to put global HR, legal, and tax advice at your fingertips. Plus, if you need deeper insights, our team of HR and compliance experts are ready to help.

Problem solved

Maintaining global compliance used to take multiple partners and platforms. **With G-P Meridian Advisor™**, you have a single point of contact for expert guidance within today's **#1 Global Growth Platform™**.

Growth opportunities unlocked

As you progress in your growth journey, your business will often face complex challenges – managing global hiring, labor laws, HR policies and programs, and more. **G-P Meridian Advisor™** lets you tap into our 11+ years of global expansion experience through a combination of technology, AI, and in-country HR and compliance expertise.

Of course, resolving issues is just the start. With more insights available to you 24/7, you'll have all the digital and human support you need to make smarter decisions, for greater success wherever opportunity takes you.

Key features

- **Book time with in-country experts** – whenever is most convenient for you – to get guidance on complex HR and legal challenges.
- **Gain insight and guidance** on local employment and tax laws to understand how to remain compliant with ever-changing regulations.
- **Receive tailored advice** on compensation and benefits in various countries to offer competitive and compliant employment opportunities.
- **Get help** with running compliant onboarding, offboarding, health and safety programs, HR policies, employer passes and visas, and more.

Key benefits

Reduced time and resources

Significantly reduce the resources and time it takes to operate successfully and compliantly in your global territories.

Compliance at every stage

Rest assured that you're compliant as you enter a new territory and throughout every step of the employee lifecycle.

Minimized risk

Mitigate the risks associated with navigating the complexities of global expansion, such as local tax and labor laws.

Streamlined support

Leverage **G-P's Global Growth Platform™** for all the guidance you need with one single point of contact.

G-P Meridian Advisor™ is a key offering of **G-P Meridian Suite™**, the industry's first fully customizable suite of global employment products. Together, these products, features, and services power today's **#1 Global Growth Platform™**.
