

G-P

Global Made Possible

G-P: We Make Global Expansion Fast And Easy

At G-P, it's our mission to break down boundaries to global business, enabling opportunity for everyone, everywhere. As your partner in global growth, we make it possible to hire talent in over 180 countries – no costly entity setup required. We've backed our market-leading SaaS-based Global Employment Platform™ with our robust team of HR and legal experts to handle complex processes that often slow international expansion plans. From hiring and onboarding to expense reporting and payroll management, we make sure every step in your growth journey is fast, easy, and compliant with local regulations.

Answering the concerns of all stakeholders

International workforce management for human resources professionals

- Hire and onboard employees quickly and easily in over 180 countries.
- Manage international payroll without having to set up an entity.
- Administer international benefits in compliance with local employment law.

International expansion cost control for financial professionals

- Minimize the cost of global expansion.
- Avoid setting up local bank accounts.
- Adhere to local tax laws.

International compliance for legal professionals

- Bypass entity setup and compliantly hire international talent.
- Protect HR data in line with local privacy laws.
- Mitigate your risk of exposure to costly penalties, fines, and litigation.

International business advantage for CEOs

- Eliminate the administrative burden of business expansion.
- Avoid legal and financial red tape.
- Test international markets quickly.

Unlock the power of the everywhere workforce.

When your clients leverage our industry-leading Global Employment Platform™, they can enter new markets with confidence, mitigating cost and risk. Our in-country experts provide on-the-ground support as you scale to help you tap into the fullest potential of your global teams.

Global Employment Platform™. Our technology allows you to offload time-consuming HR and legal tasks onto us – no entity setup required

Why work with G-P?

- **Focus on building your business:** We take on the administrative burden of global expansion so you can focus on your people.
- **Enter a new market in record time:** What once took months now takes mere minutes when you leverage our technology and expertise – so you can beat the competition by being first to market.
- **Eliminate consulting fees:** There's no need to hire lawyers, accountants, and payroll providers in multiple countries.
- **Attract and retain top talent:** Provide your employees competitive country-specific benefits and reliable payments with our 99 percent on-time, accurate payroll in 150 currencies.
- **Hire via our global entities:** We have established entities across 120 countries.
- **Leverage our local presence:** We have team members in-country who speak the local language and can navigate the country's labor laws and norms.
- **Maintain data compliance:** Our technology is Privacy Shield certified to protect all of your HR data.
- **Grow your teams with our platform features:** G-P Recruit and G-P Contractor are extensions of our platform, enabling you to find and hire the best talent, including contractors for short-term projects, based on your unique hiring needs, anywhere in the world.

Our Team

With nearly 10 years of experience helping companies expand internationally, we truly understand the challenges and opportunities that come with global growth. That's why we're at your side, every step of the way. Paired with our platform, our team's country-specific knowledge ensures everything from tax filing and contract generation is quick and painless. When you choose G-P, you get a fully dedicated partner throughout your expansion process, so you can take your company to new heights with confidence.
