Exhibit Space Requirements

Preferred Booth Size: _____ sq.ft.

Minimum Dimensions: _____ ft. x _____ ft.

Maximum Dimensions: _____ ft. x _____ ft.

Preferred Configuration: Linear Perimeter Split Island Island

Based on my responses above, these are my preferred space selections for the 2027 NAB Show:

We recommend that you select your specific booth preferences as close to your appointment as possible, when inventory and availability are most up to date. Be sure to submit this form no later than the morning of your appointment.

1st: _____ 2nd: _____

3rd: _____ 4th: _____

Please check ONE of the following:

- Should none of the booth preferences I've listed above be available, please have a member of the NAB Show Exhibit Sales Team select the next best available space within the designated square footage indicated above.
- Should none of the booth preferences I have listed above be available, please do not assign space for my company. ****By selecting this option, I understand that I am relinquishing my opportunity to select space in the order commensurate with my earned NAB Show Priority Points; and that selecting space at a later point in the process may provide more limited options.**

This form needs to be emailed to sales@nab.org no later than the morning of your space selection appointment day.

You will be emailed a notice confirming the space selected for you.
