

# Light Kit Comparison

S4i® RGB & Versaline® 3-channel

**Transform your space with S4's dazzling Light Kits—designed to impress and built to last**

From Pole Trees and Tunnels to Curtains and Fountains, S4 offers a stunning variety of kits to fit any budget. Each kit comes complete with rugged cabled light strings and all the power and infrastructure you need for a smooth, stress-free setup. Start with one show-stopping display and build on it year after year or upgrade the control option to add more sophisticated light shows as your crowd grows.

- **Safe Low-Voltage Operation:** Operates on a safe 24V current, minimizing the risk of GFCI trips and enhancing overall system reliability.
- **Secure, Weatherproof Connections:** Twist-lock coupling connectors ensure a watertight seal and prevent accidental disconnection, even in harsh outdoor conditions.
- **Durable, Season-Ready Performance:** Backed by a 3-season warranty.
- **Versatile Compatibility:** Engineered to seamlessly integrate with S4 Décor Structures and compatible with select third-party structures.

**Versaline® Classic Series**  
5mm Wide Angle 3-Channel Kit

**Versaline® Classic Series**  
3mm Crablight 3-Channel Kit

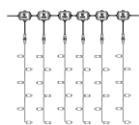

**S4i® Plug N Play Series**
