Customize your gear

We design all Fellow products with one thing in mind:
creating the best coffee drinking experience.

Now you can print your branding and artwork on our award-winning gear and share ridiculously good coffee with your team and customers.

How it works

1. Pick a product

Choose a product to customize from our award-winning lineup.

2. Pick an application

Engraving: Blast off the powdercoat and show off a shiny stainless steel look.

Color printing: Unlimited colors and 360° wrap.

3. Send us your artwork

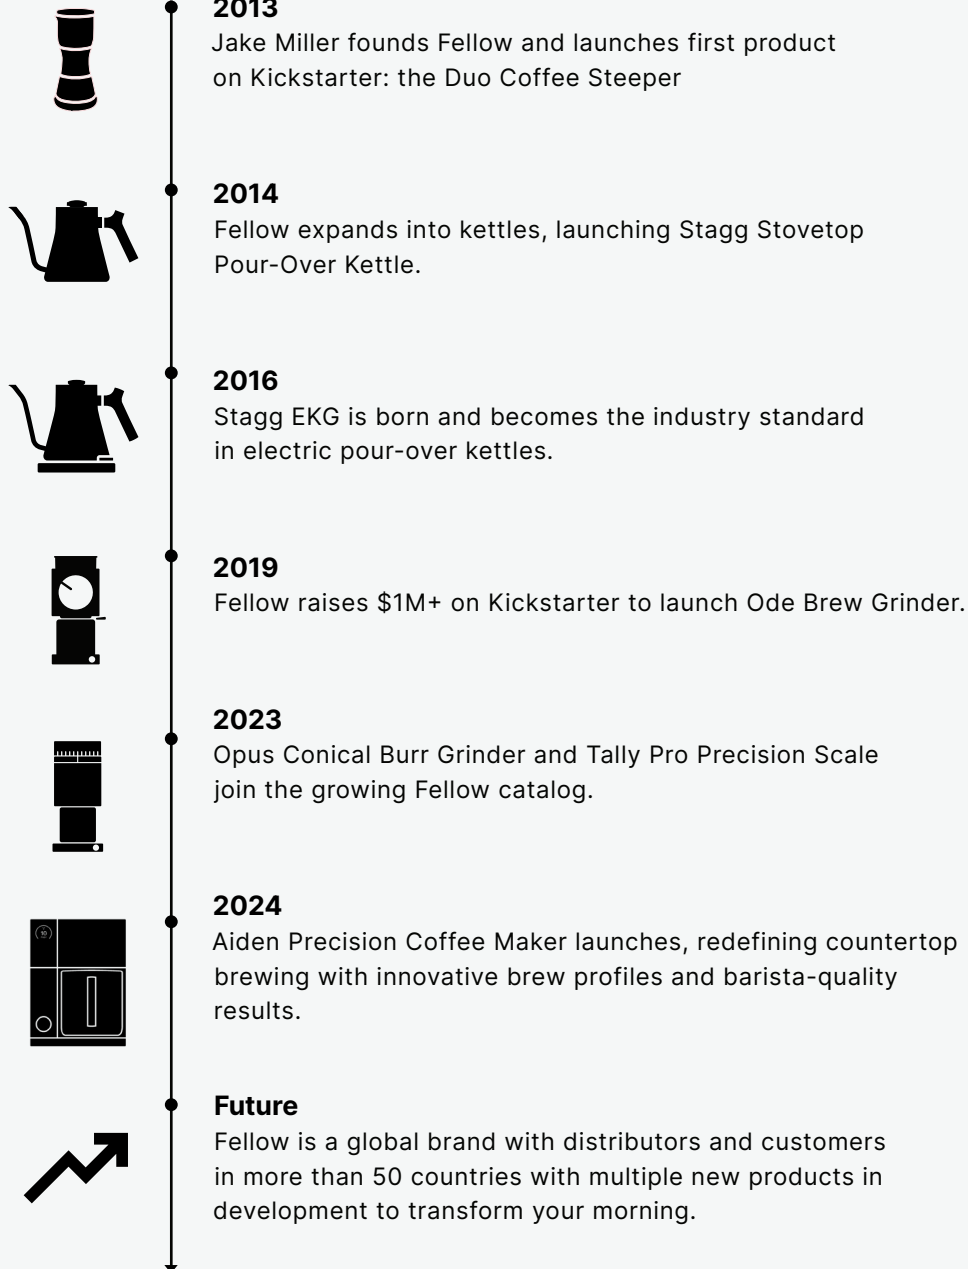

Work with our team and let us know what you are looking for.

We'll review your artwork and recommend the best printing method.

4. Review and approve

We make it happen. Your customization goes into production then gets delivered straight to you.
