

The Global Employment Platform™ that Puts the World's Top Talent Within Reach

Our #1 SaaS-based Global Employment Platform™ enables companies to hire, onboard, and manage top talent anywhere in the world. As the market leader in global employment technology, we help businesses expand internationally and enter new markets compliantly, without the hassle of setting up branch offices and establishing legal entities.

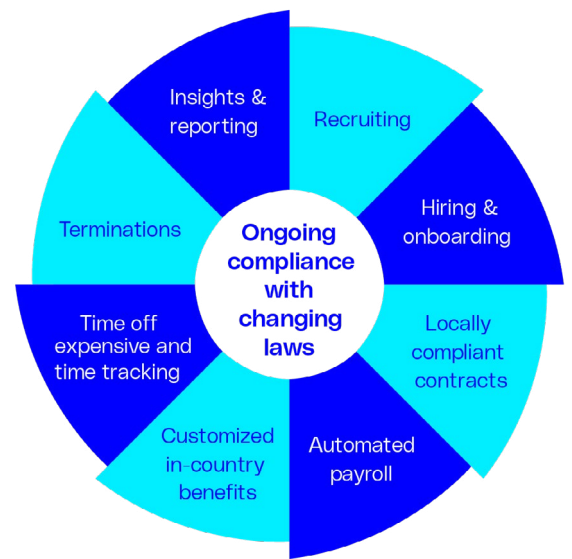

Key benefits

Find, hire, and onboard in a matter of days with the best customer and professional experience in the market.

Offer competitive benefits and create fully compliant contracts in minutes via our Employment Contract Generator.

Automate, customize, and manage every HR function such as payroll, in-country benefits, time off, expenses, etc.

Manage terminations compliantly and in accordance with local labor laws and processes.

Everything you need in one place!

Products designed specifically to streamline your global expansion:

G-P Contractor: Onboard contractors in 180+ countries, send invoices and payments.

Reporting and dashboards: Detailed data on your team's payroll, invoicing, benefits, expenses, etc.

New country addenda: Quickly expand into new countries in just a few clicks with this self-service feature.

Customizable features: Take full control of your teams' currencies, payment periods, bonuses and more.

Integrations and APIs: Simple solutions to automate the flow of HR data between systems.

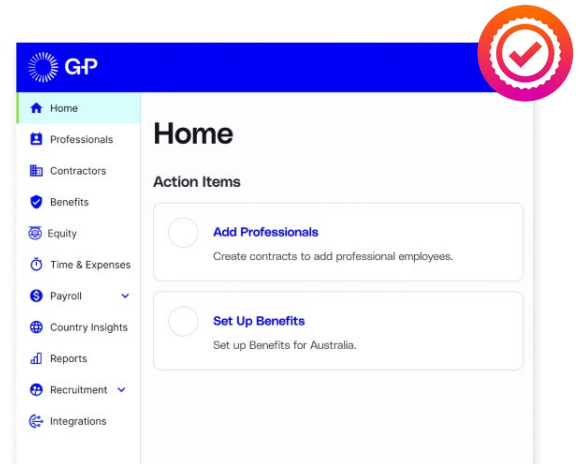

G-P Recruit: Quickly identify and hire new team members anywhere in the world.

Simple, efficient, powerful

Our Global Employment Platform™ also provides:

- Top level security and data privacy, as well as guaranteed IP protection.
- An unmatched level of customer support, combining technology and a dedicated team of in-country HR, legal, and tax specialists.
- APIs and integrations with leading payroll and HR systems, such as ADP, Sage, BambooHR, Paychex, and more.

DEVONWAY

“G-P helps us to stay on top of HR-related compliance, including reporting, registering for tax liabilities and providing benefits access to all of our employees **across all locations as we grow.**”

- Laurel Timothy
Director of Finance & HR
